Nathan Bass

Assessor of Lee Township.

The attention of Assessors is called to the following sections of the Laws of Iowa:

SEC. 732. [REVISION OF 1860]. On or before the second Monday of January in each year, the Board of Supervisors shall furnish each Assessor in their County with suitable books in duplicate, properly ruled and headed, in which to enter the following items:

2. His or their lands by township, range, section or part of section, and when such part is not a Congressional Division or Subdivision, some other description sufficient to identify it; and town lots, naming the town in which they are situated, and their proper description by number and block or otherwise according to the system of numbering in the town.

3. Personal property as follows: Number of cattle, number of horses, number of mules, number of sheep, number of swine over six months of age, number of carriages and vehicles of every description, with a separate column for the value of each; value of merchandise, [Laws of 1862], amount of capital employed in manufacture, amount of money and credits, amount of taxable furniture, amount of stock or shares in any corporation or company not required by law to be otherwise listed and taxed, amount of taxable farming utensils or mechanics' tools, amount of all other personal property not enumerated, and the number of polls, add a column for remarks. But no entry shall be made on said book of any animal under the age of one year, except as above provided.

SEC. 733. Each Assessor shall enter upon the discharge of the duties of his office within six days after the second Monday in January in each year, and shall with the assistance of each person assessed, or who may be required by law to list property belonging to another, enter in the books furnished him for that purpose, the several items specified in the preceding section; entering the names of the persons assessed in alphabetical order so far as practicable, by allotting to each letter its requisite number of pages in each of said books. He shall also be furnished with a suitable plat of his township on which to check the several parcels of land, and each town or city lot by him assessed, to avoid omissions or double assessment.

SEC. 734. It shall be the duty of the Assessor to list each and every person in his township, and to assess all the property, personal and real therein, and any person who shall refuse to assist in making out a list of his property, or of any property which he is required by law to assist in listing, or refuse to make the oath or affirmation required by this act, shall forfeit the sum of one hundred dollars to be recovered in the name of the County for the use of the common schools therein; and where any person refuses to make out a list of his property, which by law he is required to do, the Assessor shall assess such person according to the best information he can get, as to the amount of taxable property which such person has.

SEC. 735. The Assessor is authorized, and he is hereby required to administer an oath or affirmation to each person assessed, to the effect that he has given in a full, true and correct inventory of all the taxable property owned by him, and all property held by him as agent, guardian or otherwise, and which he is required by law to list to the best of his knowledge and belief, and in case any one refuses to make such oath or affirmation, the Assessor shall note the fact in the column of remarks opposite such person's name; and should it afterwards appear that such person so refusing has not given a full list of his property, or of that under his control, and which he was by law required to list, any property so omitted shall be entered on the book at double its ordinary assessable value, and taxed accordingly.

SEC. 736. Each Assessor shall, on or before the third Monday in May, in each year, return one of the assessment books of his township to the office of the Clerk of the Board of Supervisors, WITH THE SEVERAL COLUMNS OF NUMBERS AND VALUES CORRECTLY FOOTED UP, and the amount of personal property of each person carried forward into a column under the head of total personal property, and the other book he shall on or before the second Monday in April of each year, deliver to the Township Clerk of his township, to be used by the trustees of the township as the township tax book, for the levy of taxes for township revenue and road purposes.

SEC. 737. When the name of the owner of any real estate is unknown, and the Assessor finds it impracticable to obtain the same it shall be proper and lawful to assess such real estate without connecting therewith any name, but inscribing at the head of the page the words "owners unknown," and such property, whether lands or town lots, shall be listed as near as practicable in the order of the numbers thereof, and in assessing such real property, no one description shall comprise more than one town lot, or more than the sixteenth part of a section or other smallest subdivision of the land, according to the government surveys, except in cases where the boundaries are so irregular that it can not be described in the usual manner, in accordance with such surveys.

SEC. 738. If any Assessor shall fail or neglect to perform any of the duties required of him by this act, at the time and in the manner specified, he shall be liable to a fine of not less than twenty nor more than five hundred dollars, to be recovered in an action brought in the District Court by the Board of Supervisors, the judgment shall be against him and his bondsmen, and the proceeds of such fines to go to the school fund of the county.

LAWS OF EXTRA SESSION, 1862. SEC. 10. The Assessor in each County shall annually and at the same time they are engaged in taking the assessment or valuation of real and personal property, include in their assessment roll the names of all the persons in their respective districts liable to be enrolled under the laws of this State subject to military duty together with the ages of such persons. Such Assessors shall give notice to every person whose name they shall include in their military roll, that he is so enrolled. Such notice may be given by informing said person thereof, or by giving such information to some person of suitable age and discretion at his place of residence or business.

SEC. 11. The Assessor shall return said millitary roll with the assessment book of real and personal property, and at the same time, to the Clerk of the Board of Supervisors, and shall also cause notice to be put up in three of the most public places in the township, which notices shall set forth that the Assessors have made their roll of all persons liable to be enrolled in the militia according to the laws of this State, and that the same is left with the Clerk of the Board of Supervisors, where the same may be seen and examined until the regular meeting of the Board of Supervisors for correcting the assessment of property, when said Board will review such enrollment.

LAWS OF 1864. SEC. 2. It shall be the duty of the Assessors in the several wards and townships in this State, before the first Monday of June, 1864, and when they are making the assessment of 1865, to make an enumeration, by name of all the soldiers and marines having families, who are in the service of the United States, and of the families of those who have been in such service and are dead or disabled, in their several wards and townships of this State, naming their company, regiment, battery, battalion or organization, and make accurate returns to the Board of Supervisors of their respective counties, designating the name, sex and age of the several members of such families, and naming such as are, in his opinion, entitled to aid and for which he shall receive the same compensation as for other services. It shall be the duty of such Board of Supervisors to revise the same, inserting such names as may have been omitted.
